

## **Board Giving**

To demonstrate commitment to the organization's mission and to support fundraising efforts, board members agree that they must first make a gift themselves. This policy is intended to ensure that every board member supports Home Healthcare, Hospice, and Community Services with a yearly donation to the Annual Fund. Board giving is distinct and in addition to attending or sponsoring special events, purchasing tickets or other items, giving to an HCS scholarship fund, or otherwise participating in our organization's activities.

Many of the grants we apply for want documentation that 100% of the Board of Directors has made a charitable gift to HCS. Although we don't require a certain dollar amount for a gift, we hope that you will make HCS a significant recipient relative to your other giving, as you serve as a Trustee for the organization.

We appreciate your service and support of Home Healthcare Hospice and Community Services.
